Infrared Associates Joins VIGO Photonics

Dear Supplier,

We are pleased to inform you that **VIGO Photonics Corporation**, an affiliate of **VIGO Photonics S.A.**, headquartered in Poland, has acquired **Infrared Associates, Inc.**

Our primary objective is to maintain uninterrupted business operations and continuity while exploring new opportunities to strengthen our partnership and support mutual growth. All orders and projects are moving forward without interruption. **Our business operations continue as usual**, maintaining the high standards of cooperation you are accustomed to.

To ensure a seamless transition with no disruption to your ongoing projects or the supply chain, we would like to highlight the following points:

- **PO Transition:** All outstanding and existing orders are automatically transferred to VIGO Photonics Corp. and will proceed under the exact same terms and conditions as previously agreed.
- **Forecasts:** Please be advised that all existing order forecasts for the year 2026 remain unchanged. We remain committed to our planned procurement volumes and schedules.
- **Update Data Records:** We kindly request that you update your records using the information provided in the attached Supplier Information Sheet. Ensuring these details are accurate in your system will prevent administrative delays or payment disruptions.
- **Entity Management:** For vendors previously working with both Infrared Associates, Inc. and VIGO Photonics S.A. in Poland, please maintain and invoice these as separate accounts to ensure proper accounting and legal compliance.

We greatly appreciate your cooperation during this transition and look forward to building a successful future together.

Your primary contact points remain unchanged. If you have any immediate questions, please do not hesitate to contact:

Danielle MacNamara, COO, email: dmachamara@us.vigophotonics.com

Jami Deluck, Procurement Supervisor, email : jdeluck@us.vigophotonics.com

Thank you for your trust and continued partnership.

Kind regards,

Adam Piotrowski
CEO
VIGO Photonics S.A.
