PAYMENT: All new customers are required to pay in advance, either by check, credit card, or wire transfer. If paying by credit card, there is a 3% processing fee. Cards will be charged at the time of order placement and, unless a freight account is given, you may see a second charge for freight costs at the time of shipment. If paying by wire, there is a \$45 wire transfer fee and orders will not be released until the transfers clear. Allow 2-3 business days for domestic wires and 5-7 business days for international wires. Net 30 days terms may be available upon credit approval. If you wish to apply, please fill out our credit

RETURN POLICY: Returns must be initiated within 30 days of receipt and, prior to return, must be granted an official RMA number. Items which have been installed, altered, defaced or are not in their original packaging are not eligible for return. Special order or "NCNR" items, unless defective, may not be returned. If a shipment is damaged - even if the damage is concealed - customers have 7 days from the date of delivery to inform IEC of the damage. A 20% minimum restocking charge will be applied to all returns, unless previous arrangements were agreed upon in writing. Returns must be received back to IEC within 45 days of receipt, or the RMA will be voided. For full terms and conditions, please visit <https://www.iecsupply.com/terms-and-conditions>
