

National Storage Affiliates Joining Public Storage®

Dear Customer,

We are writing to inform you of an important update about your rented or leased space (storage, parking, commercial, etc.): National Storage Affiliates (NSA) has entered into an agreement to join Public Storage®. As a result, the NSA Storage facility at which your space is located, RightSpace Storage - 3024 - Queen Creek, is expected to become a part of Public Storage®, on July 22, 2026, subject to the satisfaction customary closing conditions.

At this time, no action is needed on your part. Your existing lease will remain in effect, and there are no immediate changes to day-to-day operations at the property at which your space is located.

On or after July 23, 2026, you will receive additional communication from the Public Storage® team regarding your space.

Please be advised that storage offices at locations in Arizona, California, Idaho, Nevada, Oregon, and Washington will be closing at 5 p.m. PST on July 21, 2026. Gate access hours will remain unchanged that day. All stores will be open on Wednesday, July 22, 2026.

We sincerely appreciate your business and will work to make this transition as seamless as possible. We look forward to continuing to serve you.
