RECEIVED subject to the classifications and tariffs in effect on the date of issue of this Bill of Lading, the property described above, in apparent good order, except as noted (exceptions and conditions of contents in package is unknown), marked, consigned and destined as indicated above, which said carrier (the word carrier being understood through this contract as meaning any person or corporation in possession of the property under contract) agrees to carry it to its usual place of delivery, if on its route, otherwise to deliver it to another carrier on the route to said destination. It is mutually agreed as to each carrier of all or any of said property over all or any portion of said route to destination, and as to each party at anytime interest in all or any of said property that every service to be performed hereunder shall be subject to all the terms and conditions of the Uniform Domestic Bill of Lading set forth in (1) in the Uniform Freight Classification in effect on the date hereof if this is a rail or rail-water shipment, or (2) in the applicable motor carrier classification tariff if this is a motor carrier shipment. Shipper hereby certifies that he is familiar with all the terms and conditions of this bill of lading which also included those standard conditions listed on the back of the standard pre-printed Straight Bill of Lading - Short form for which this document is hereby agreed as being substituted, and the said terms and conditions are hereby agreed by the shipper and accepted by himself and his assigns.
